EXECUTIVE ORDER 01-06

TO: ALL AERO SQUADRON MEMBERS

FROM: AERO SQUADRON EXECUTIVE BOARD

**SUBJECT: FLIGHTS WITHOUT LOGGING-ON WITH
DISPATCH**

DATE: OCTOBER 2001

Effective immediately, the Aero Squadron aircraft shall not be operated without logging-on with Yolo County Sheriff Dispatch immediately prior to take-off, remaining logged-on throughout the duration of the flight and signing-off upon final landing. The only exceptions for not logging-on would be if the aircraft is being flown to and from maintenance or to and from air shows. All other flights must be logged-on with dispatch, even if the flight is a maintenance check or a pilot/observer check-out. Logging-on with dispatch will also be required with flights involving initial certification or re-certification of a pilot, regardless of whether or not the flight involves a bi-annual flight review.
