### **Old Business:**

- AMR
  - Some members have not completed their AMRs for the year
  - The Commander suggested members try and complete those requirements early in the following year.
- Aircraft Update
  - The aircraft is at Lincoln Skyways
  - Starter has been repaired
    - Report any issues to the Ops Officer
  - The Alternator was removed and tested, and is working fine.
    - Squeal may not be an unusual condition for that model.
    - The Squeal appears to be intermittent.
  - Transponder
    - Transponder would sometimes respond with wrong code.
    - Transponder may not have been seated properly in panel.
      - Lincoln has properly reinstalled the transponder.
    - Transponder has been tested and appears to be working correctly.
      - The last digit knob is loose.
  - The TKM radios have been installed.
  - The radios have been tuned and appear to be working correctly.
  - One member reported that a radio had cut out on a flight.
    - There have been no other reports of radios cutting out.

### **New Business:**
